### Corrections to registered grex epithets

#### **Paphiopedilum Casablanca**

Back in 1997 a hybrid *Paphiopedilum* was registered with the grex epithet Casablanca. The registrar has received a request that this be corrected to Casablanca. As a consequence there are now two hybrids in *Paphiopedilum* bearing the same epithet which are distinguished in the register by appending the year of registration as follows:  
Casablanca (1997) = *Paph.* Maudiae x *Paph.* Spawing, A.Mochizuki  
Casablanca (2008) = *Paph.* Lippespot x *Paph.* Lippeter, O.Duerbusch  
This also requires a correction to the spelling of *Paphiopedilum* Isshiki Casablanca = *Paph.* Casablanca (1997) x *Paph.* Heavy Spots, M.Kitsukawa.

#### **Oncidium Fringe Bird**

Due to an error in transliterating this epithet from Japanese to English this epithet should be corrected to *Oncidium* Flying Bird.
