

How I feel about gardening

How do I feel?	What is it about gardening that makes me feel this way?	
  <div data-bbox="243 1026 338 1062">tired</div> <div data-bbox="537 1026 632 1062">bored</div>	It takes a long time. 	It seems pointless. 
	It's too quiet. 	Something else? 
  <div data-bbox="233 1531 327 1567">happy</div> <div data-bbox="548 1531 621 1567">calm</div>	It's peaceful. 	I can see things grow over time. 
	I am helping nature. 	Something else? 
  <div data-bbox="233 2006 348 2041">worried</div> <div data-bbox="516 2006 674 2041">frustrated</div>	I don't know what to do. 	I don't like being outside. 
	I don't like getting dirty. 	Something else? 
  <div data-bbox="243 2555 380 2591">panicked</div> <div data-bbox="516 2555 621 2591">angry</div>	Sometimes it goes wrong. 	I don't like being near insects. 
	It feels out of control. 	Something else?
