

Welcome to the ISHS Green Cities 2024 conference

Hosted by RHS Garden Wisley, at the UK's first
dedicated horticultural scientific centre of excellence,
RHS Hilltop – The Home of Gardening Science

Sponsorship packages

This international event will bring together over 200 academics, experts and the horticultural community to the Green Cities event across 4 days. The event will provide a forum to network and learn about green infrastructure and nature-based solutions from like-minded researchers from all over the world.

Our sponsorship packages are tailored to suit a range of businesses and budgets, with opportunities for branding and speaking engagements.
